We hope to enable each student to develop a fruitful Tai Chi / Chi Kung practice which can serve as a lifelong source of enjoyment and good health.

Tuition is \$1440.00 per year. (No yearly contract is required.) Please pay in quarterly installments of \$360.00 (or \$330 if you are 65+ and attending Restorative classes only). Your timely payment at the beginning of each quarter is greatly appreciated. Please pay in advance or mail your check if you will be away the first week of the month.

We do not pause or reduce tuition when you miss classes for business travel or vacations. We will be happy to place a pause on your tuition payments if you need to take a break in class attendance lasting more than one month for health reasons (your own health needs or the health needs of someone requiring your assistance). Please notify John as soon as possible if you need such a pause.

Please inquire about work/service exchange possibilities if you desire to attend two or more classes per week and pursue your practice with dedication, but cannot manage the regular tuition schedule.
